## Village News

*July 2022*

---

The Seacoast Village jumped into summer in June with a full calendar of events. We hope you were among those who took advantage of the opportunity to get connected and get smart.

We are so thankful to the Village members who offered tours of local gardens and historic sites, participated in the artist, crafters and makers showcase, and hosted meet-ups.

Thank you to all the members and friends who attended. We hope you enjoyed the chance to meet new people and explore different corners of the Seacoast.

As always, if you have a program or event you'd like to host for Village members, please share your ideas with us. And of course, be sure to check out this month's calendar for more great events!

### Auction Item Donations Needed!

Big News! Seacoast Village Project has been chosen as one of two beneficiaries of this year's Harvest Open charity golf tournament, sponsored by Lonza. The global company has a large presence at Pease Tradeport in Portsmouth and a generous history of helping non-profits in our community.

To support the event, the beneficiaries take a leading role in putting on the silent auction for the 240 participants that come from all over Greater New England and beyond. The tournament will take place September 8th and we need your help.

Do you have one of the following items that you would be willing to donate to the event?

- Credit card points that can be used to purchase "big ticket" items like electronics
- Airline miles for two round trip tickets that can be transferred
- A week's stay in a timeshare or vacation rental you own
- A round of golf for four at your country club
- Ski passes and/or a weekend in your ski condo/house
- A \$100 restaurant gift certificate you are willing to sponsor

Please contact Kathy Donovan at [kathyd@seacoastvillageproject.org](mailto:kathyd@seacoastvillageproject.org) with questions or if you have an item you'd like to donate. The deadline for making donations is early August.

## Get Connected: Tell Us Where To Meet

We'd like to expand the opportunities for Village events beyond Carey Cottage in Portsmouth, but need your help in identifying gathering places in your towns.

The best knowledge is local and with eighteen towns in our membership area, we know there are all sorts of great venues just waiting to host a Village event. Email us at [info@seacoastvillageproject.org](mailto:info@seacoastvillageproject.org) with your tips and suggestions for indoor and outdoor venues and help us grow our list!

## Helping Each Other Out

We're pleased to report that NH Gives raised more than \$3,000 for to support the ongoing growth of our Village.

## Village Member Stories

### Sam Marwit, Dover

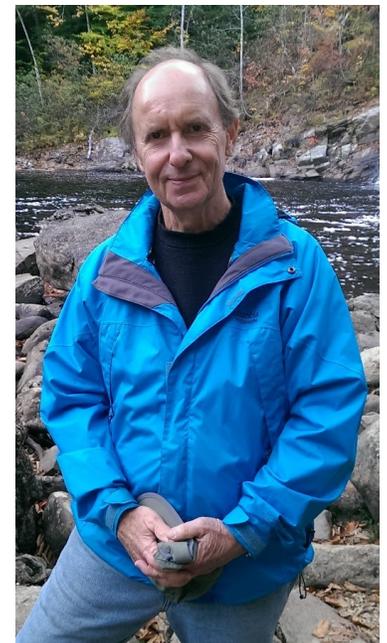

Originally from Far Rockaway, NY and a resident of St. Louis, MO for 39 years, Village board member Sam Marwit has called New Hampshire home since 2008.

A now (mostly) retired clinical psychologist and Professor Emeritus of University of Missouri-St. Louis, Sam has served on numerous editorial boards for significant journals in the field of end of life and has taught internationally.

Despite all this, Sam reports that his most major accomplishments are being a devoted husband and having raised two wonderful sons who themselves are splendid fathers.

When asked what role he sees the Village playing as he and his wife grow older, he said:

"I anticipate that the Village will meet Barbara's and my needs to age in place. We have what we consider a lovely home on the Cocheco river and are not interested in giving this up. Barbara and I have already made new, lifelong, highly valued and trustworthy friends as a result of being Village members, and we feel this community of like-minded folks can only get stronger with time and exposure."

You can read Sam's full Member Story on the Village website.
