Village News

September 2022

As summer winds to an end, we want to take the opportunity to acknowledge all the individuals who are making contributions to help the Village succeed.

On the top of our gratitude list is heartfelt thanks to Kathy Donovan, Kathy Rockwood, Cynthia Harvell and Nancy Euchner for leading the effort to solicit auction items to support our participation in Lonza's Harvest Open charity golf tournament, which is set to take place on September 8th. We are grateful to Lonza for having selected Seacoast Village Project as one of its two beneficiaries this year. And of course, a big 'thank you' goes to all those who have donated 26 items (and counting...) valued at almost \$5,000!

Some of the wonderful items that have been donated include two nights at The Water Street Inn, Kittery (donated by Amanda & Jay McSharry); two season passes to the Seacoast Repertory Theatre; two nights on a houseboat at the Portsmouth Marina (donated by Tom Reis); Snorkeling Adventure for two w/ equipment & wetsuit (donated by Dennis Chasteen & Atlantic Aquasport); gift cards to an array of local businesses; various gift baskets; as well as a whale watch, gundalow cruise and harbor tour. Auction items will be accepted right up until the event, so if you have something you'd like to donate, please contact Kathy Donovan at kathyd@seacoastvillageproject.org.

Further thanks are due to those Village members who have stepped up recently to organize, present, or help support the events on our calendar. Read on for more acknowledgements in the Helping Each Other Out section.

It really does take a Village and we are so appreciative of all of our members and the many talents and resources they bring to our Village.

Get Connected: Recipes on Village Talk

Good news! For those of you who attended last month's Tall Ships viewing party and were interested in the recipes for the muffins and salad you sampled there, we have a group of Village members working to get those posted to the Village Talk section of the website. You can monitor that space by logging in to the member side of the Village website and clicking on "Village Talk" under the Members tab.

Not sure how to use Village Talk? You can watch last month's zoom training on how to use this special members-only feature of the Village website to connect with other members.

Member Stories

Susan Getman (L) & Merle Jacobs (R), soon-to-be Portsmouth residents

Susan Getman and Merle Jacobs are preparing to relocate to Portsmouth from Boston. Having learned about the Village-to-Village Network years ago (it was founded in Beacon Hill in 1999), the pair appreciated the grass-roots approach to connecting people and to being of service. They saw Village membership as a way to start to get to know people and make friends on the Seacoast, so they decided not to wait until they had a new address.

Shortly after becoming members this summer, Susan and Merle jumped right in and volunteered to help with the recent Tall Ships viewing party.

"We brought food (we love to cook for others!) and helped set up for the party. We were warmly welcomed by new and veteran members alike. We met lots of interesting and spirited people. So much fun!"

The couple is looking forward to their move and recognize the value that being part of the Village will bring to their new life.

"Merle hasn't moved out of state since her daughter was born in 1989 and Susan has raised her two children in the same house where she has lived for over 42 years. It's going to be a big adjustment for both of us and creating community for ourselves is, therefore, very important. We are excited to meet new friends, be of service to others, and to start our next chapter together."

You can read Merle and Susan's full Member Story on the website.
